

Joliet Township H.S. District 204

www.jths.org

SCHOOL

Joliet Township High School District 204 turned to Americaneagle.com to create a more dynamic and useful Web site for all target audiences. Before working with Americaneagle.com, the Joliet Township High School District did a fair job on presenting information to students, staff, parents, and the community as a whole, but the site was also underperforming on many levels. In order to bring the district up to speed, Americaneagle.com built a whole new Web site system that incorporates purposeful and proven features that support the district's objectives. The new main district site now accurately showcases the district's achievements and accomplishments and serves as a portal to allow all users to access information quickly. Joliet now also utilizes Americaneagle.com's idev® CMS, making managing the Web site much easier.

features

- ADA Compliance
- Documents Center
