# GOVERNMENT

The screenshot shows the homepage of the Village of Western Springs website. At the top left is the village logo featuring a lighthouse and the text 'VILLAGE of WESTERN SPRINGS COOK COUNTY, ILLINOIS'. Navigation links include HOME, CONTACT US, and PHONE DIRECTORY. A main banner reads 'A VILLAGE of TOWERING CHARACTER' with an image of a lighthouse. Below this are four columns: 'ABOUT WESTERN SPRINGS', 'OUR GOVERNMENT', 'OUR DEPARTMENTS', and 'LIVING IN WESTERN SPRINGS'. A 'MEETING & EVENTS CALENDAR' sidebar is on the left. The main content area features a 'Welcome!' message, a location description, a commitment to residential living, and a 'Recent Village News' section with articles like 'Attempted Armed Robbery Crime Alert' and 'Red Light Photo Enforcement'. A 'Receive Our Newsletter!' form is at the bottom right.

The Village of Western Springs contacted Americaneagle.com in early 2006 in an effort to create a new, updated Web presence that would better serve the needs of residents, visitors, and Village staff members. The redesign will make Web site management an easier, lower-cost necessity and will help to facilitate communication within the community.

The new site, which launched in July 2007, reflects a crisp, user-friendly, and ADA compliant design that is in line with the Village's offline atmosphere. Furthermore, a robust Content Management System will allow Village staff to keep the site fresh with the latest news, events, documents, and more.

## Interior Page

This screenshot shows an interior page titled 'Interior Page Header'. It features a navigation menu, a sidebar with 'MEETING & EVENTS CALENDAR' and 'RECEIVE OUR NEWSLETTER', and a main content area with text and a search bar. The page layout is clean and organized, consistent with the overall website design.

## features

- Recurrent Navigation
- Events Calendar
- ADA/508 Compliant
- Quick Links
- Citizen Service Requests
- Publish Date Settings
- Content Management System
- Privilege-Based Admin Access
- Review & Approval Process
- E-mail Marketing System

## Events Calendar

This screenshot shows the 'Meetings & Events Calendar' page. It features a navigation menu, a sidebar with 'MEETING & EVENTS CALENDAR' and 'RECEIVE OUR NEWSLETTER', and a main content area with a calendar grid. The calendar grid shows dates from 6 to 28, with event listings for each day. The page layout is clean and organized, consistent with the overall website design.
